

## **Giordano Mauritius Participates in Golf Fundraiser for the Order of Malta First Aid and Volunteer Service**

**April, 2022, Mauritius**

Giordano Mauritius recently participated in the 2<sup>nd</sup> Charity Golf Trophy organized by the Order of Malta (Mauritius) (the “**Order**”) first aid and volunteer service held at the Mont Choisy Le Golf on Saturday, 9<sup>th</sup> April 2022.

The Order of Malta is a mission dedicated to the care and service for the vulnerable and the sick, the forgotten or excluded members of society for over 900 years. Today, the Order of Malta works in over 120 countries through the provision of medical and emergency humanitarian relief, social assistance and a broad spectrum of charitable works.

The volunteers at the Order in Mauritius – many of whom are medical personnel and paramedics – are ever-present at major sporting, cultural, corporate and private events in Mauritius, offering first aid assistance and support. They also provide food distribution services for the homeless and underprivileged.

Kam Li, General Manager representing Giordano’s franchisee in Mauritius, said: *“We wanted to demonstrate that both our company and the Giordano brand are not just about fashion, but also about collaboration and giving back. The Order of Malta in Mauritius has always been an important part of our community, offering their professional medical aid and assistance at numerous events. We specifically chose to sponsor the ambulance station displayed at the Golf Tournament to raise both funds and awareness for the Order, so that they have the resources to acquire further medical equipment and first aid accessories”.*

Mark Loynd, Executive Director and Head of Overseas Market Development at Giordano, added: *“Mauritius has become an essential port of call for international competitions, especially golf. Our products have always been well-suited for the course, more so now with the launch of our G-Motion collection”.* He continued, *“At the same time, those who know Giordano well will know that we pride ourselves on our ESG vision and initiatives, working with sports organizations and engaging with local communities in the markets we operate in to make an actual difference. As such, the Charity Golf Trophy is an excellent opportunity to allow us to bring these two elements together, and we are grateful to our partner in Mauritius for taking this forward”.*
