

Giordano Holds Group-Wide Online Ceremonies To Acknowledge Outstanding Employees

April, 2021, Hong Kong

Giordano International Limited (HKEx: 709) has held a series of Group-wide online ceremonies to acknowledge the contribution of its most outstanding employees around the world.

Sessions have been hosted by the Group's Hong Kong, Mainland China, Malaysia, Australia and Middle East offices thus far, with a final session planned for the Singapore office. Attendees include members of the Group's Board of Directors and Management Committee, local management teams, the recipients of the accolade themselves as well as their colleagues.

With the ceremonies held via online video conferencing, each recipient was presented with a gift and afforded the opportunity to share their thoughts with their teammates and colleagues from around the world.

"The Employee Recognition Ceremonies were introduced to recognize employees that have gone above and beyond the call of duty at work during these challenging times. The event allows the Group's executive management to publicly acknowledge the staff that have exceeded expectations, as well as to foster a greater sense of belonging among Giordano employees", said Mr Mark Loynd, Executive Director, General Counsel and Group Human Resources Director at Giordano International Limited. He concluded, *"While the Covid-19 pandemic has indeed forced us to better manage our expenses, it has also allowed us to take a more innovative approach towards assessing and allocating our human resources, allowing us to identify our best performers and to incentivize them accordingly with enhanced responsibilities, promotions and better remuneration".*
